

Help build on a founding legacy

Play a part in Glenthorne's future

DID YOU KNOW? Glenthorne Owes its Existence to a Legacy.

Glenthorne was established in 1964 thanks to a bequest to the Society of Friends (Quakers) by Linton Taylor, a Quaker carpet manufacturer of his much loved holiday home in Grasmere. The purpose was to provide a place of worship and renewal to those in need.

HAVE YOU EXPERIENCED? Glenthorne as a Special Place

Over the years trustees and staff have successfully offered facilities where Quaker spiritual, charitable and educational concerns can be advanced at the same time extending our welcome to individuals, families and groups; to people of all ages and beliefs. Many guests come again and again as they value the special atmosphere, friendliness and ambience.

WHAT ABOUT? Costs and the Future

Providing the high quality of service that is essential to visitors' comfort while keeping charges affordable does not allow a great margin for the accumulation of surplus for long-term maintenance and improvement, or for bursary assistance. The recent addition of a splendid new meeting room, two bedrooms, which are disabled friendly and new office and reception area, were possible only because of a major gift.

THINK ABOUT! Importance of a Legacy Donation

In order to continue in the spirit of Linton Taylor's original legacy we welcome new legacies, large or small, and ask you to please consider including Glenthorne in your will. This will greatly help in ensuring that Glenthorne remains a special place for Quakers and others in the next 50 years.

Legacy gifts will help maintain the fabric, support new facilities, and supplement bursary funds for those on low incomes, and to expand our special programme to provide breaks for refugees, asylum seekers and their families.
